'OBSCENE BOOK' CHARGES

Cigar Store Owner, Wife Arrested Here

Daly City police Tuesday afternoon arrested the proprietor of the Daly City Cigar store, 6264 Mission street, and his wife on three counts of having on display and offering for sale four paperback books which are considered obscene under state law.

Released on \$367.50 cash bail each were Jack and Mae Shaver, who live in San Francisco at 1820 48th avenue. They are scheduled to answer the charges in municipal court, South San Francisco, next Thursday morning, March 2.

Four Daly City investigators served Shaver, 56, and his wife, 50, with warrants Tuesday about 1:15 p.m. and confiscated 794 allegedly obscene books and articles which Shaver had on his shelves. Photographs of the magazine racks were taken by Officer Phil LaBruzzi, who was accompanied on the raid by Capt. Roy Beecher, Lt. David Hansen, and Officer George Brooks.

Beecher said the crackdown climaxed an investigation of the store by the Daly City department which began in April last year when Officer Frank Murray reported that materials visible both inside and from outside the store were obscene and highly objectionable.

Beecher said Shaver subsequently was informed by police that these "nightstand books" were in violation of state law and should be removed. Shaver, however, according to Beecher, a few weeks later still hadn't removed the objectionable paperbacks, and even a conference between Shaver and the district attorney failed to make the store owner comply, the captain disclosed.

Chief of Police Roland Petrocchi and City Attorney Paul Hupf definitely held that the books targeted by Beecher's inspectors constituted obscene literature under state penal statutes. Likewise, the Citizens for Decent Literature, through secretary Alfred Lynch, of Pacifica, continually has complained about books and materials being sold by Shaver and his wife.

Beecher said Shaver's answers to the charges were "evasive" and the latter refused to allow a tape recording of his comments during interrogation. Shaver, according to Beecher, is being represented by attorney Ernest Selig of the American Civil Liberties Union, an agency that long has crusaded against any forms of "censorship."

Beecher indicated Shaver had no explanation why he failed to remove the four books, as per police edicts last year. The cigar store owner, Beecher said, offered the "excuse" that his book delivery man may have placed the books on the racks without his (Shaver's) knowledge.

The distributor, Beecher noted, is the L. and S. Distributing Company of 690 Harrison street, San Francisco.

On one occasion last year, according to the police department's inch-thick report on the case, Officer Al Nicolini checked the store's racks and had to take one of the "questionable" books away from an inquisitive youngster. Shaver, the report said, at that time was asked why this particular book remained on the shelves despite the police department's (Continued on Page 2)

CITY Engineer Bill Chapman and draftsman Gene Myers of Daly City's Public Works Department display copies of plans for suggested Mission street shopping area rehabilitation. The council two weeks ago met with more than 35 merchants to explain what steps can be taken to improve the area between Knowles and Bepler. First stage of the plan would be making one-way streets out of Knowles and Los Banos, from Mission to Junipero Serra. Another plan is for closing off

CROMAN JOINS RACE

Two Pacifica Hopefuls, Three Incumbents Eye High School Vacancies

Pacifica's William K. Croman, 39, a member of the Laguna Salada Elementary School District board since 1954, today announced he would file as a candidate on the Jefferson High School District board in the April 18 election.

His action makes the number of candidates for four high school board openings at five. Incumbents Lyl Ingersoll, chairman; Mrs. Ann Eason, and Elio A. Fontana have filed for re-election. The other candidate is Dr. Jerry C. Miles, 43, a Pacifica chiropractor who lives at 1095 Anza drive.

Croman, a claims examiner for a San Francisco insurance firm, said he is seeking election to the seat vacated recently by the resignation of Dr. Robert Rockstein, an optometrist who lived in Pacifica.

High school board chairman Ingersoll is from Daly City, as is Mrs. Eason. Fontana is a resident of Colma.

A native of Seattle, Washington, Croman has lived in Pacifica since 1952. His address is 1082 View way, Linda Mar. He is a graduate of Burlingame High School and attended San Mateo Junior College before enlisting in the Navy for duty in World War II. He was recalled to active duty during the Korean war.

Croman was a charter member of the Linda Mar Homeowners Association, and he joined the Laguna Salada school board in 1954. He was re-elected to that board in 1957 and his term expires this year. Croman, father of four children, has served twice as chairman and is a former member of the San Mateo County School District Reorganization Committee. He is (Continued on Page 2)

Only Two J.E.S.D. Candidates

The field for the April 18 Jefferson Elementary School trustees race remained the same this week with only two candidates.

Incumbent Katherine R. Mullen, 704 Stonyford drive, Colma, and Ronald R. Mangan, 357 Vista Grande avenue, Daly City, are the only candidates who have filed their papers.

Terms of Mrs. Mullen and trustees Thomas Noonan and Frank Verducci, both of Daly City, expire this summer. Both men are expected to file for re-election. The filing deadline is March 17, unless new state legislation moves up the date to March 3.

Council's Schedule

Daly City councilmen will meet in study session this Thursday night at 8 p.m. Their regular meeting is Monday evening, February 27, at City Hall, 75 Wellington avenue, starting at 8 o'clock.

Library Board Chairman

Farber Asked 'Not To Quit'

Daly City councilmen are unanimous in wanting Dr. Lionel Farber, 159 Wilshire avenue, to accept a reappointment to the library commission.

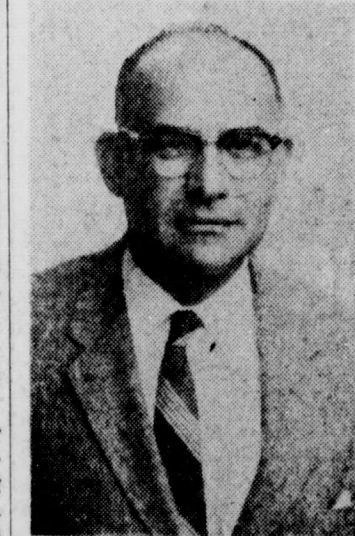

At last week's council meeting Farber, library commission chairman and board member the past seven years, submitted a letter of resignation. He indicated he would be in Europe from April through September on a biochemistry research fellowship sponsored by the Organization for European Economic Cooperation.

Councilmen expressed their admiration for Farber and ordered a letter to him urging that he not resign but take a six-months leave of absence and accept a reappointment to the commission when his term expires this June.

Contacted later last week, Farber would not indicate his reaction to the reappointment proposal.

Among the very first residents of Westlake, Dr. Farber and his wife, Freda, are the parents of John, 19, a Reed College (Oregon) student, and William, 16, a student at Lick-Wilmerding. The family came to Westlake 11 years ago.

Employed by University of California as a research biochemist in charge of fisheries research, Dr. Farber will undertake studies of fisheries, as they relate to public health, this year in Great Britain, France, The Netherlands, Ger-

many, Denmark, Sweden, Norway and Iceland.

He is considered one of the international experts in his occupation, and frequently has been consulted by biochemists from the Far East and Europe. Born in Chicago, Dr. Farber received his B.A. degree in chemistry, his M.A. in chemistry, and is Ph.D. in biochemistry at the University of Toronto. He has worked for UC's Hooper Foundation in San Francisco the past 24 years.

Farber's agency serves as a research consultancy body to the state department of public health and the fishing industry of California. It is considered among the best such agencies in the United States.

PETITIONERS DEMAND MODIFICATION

City Officials Urge State To Provide Factual Data On Disputed Lateral Here

If shifting the proposed east-west freeway lateral south of Christopher Columbus School and out of Daly City is feasible, Daly City Councilmen want this done.

That's what the council indicated Monday night to a capacity audience, mostly residents of St. Francis Heights and Westlake Knolls who are petitioning against the state's proposed lateral B.

The four councilmen (Councilman Michael DeBernardi was absent) Monday night again heard the same arguments presented at their meeting last week, urging the council to go on record for lateral A, which the west-side petitioners claim would not be as detrimental to Daly City and more costly than state-adopted route B.

The council early last year officially endorsed route B and this route was adopted by the State Highway Commission. But the council, spurred on by the protests of scores of residents in St. Francis Heights and the Knolls, now feels that there must be feasibility in lateral A or else the state would have flatly announced and showed by factual data that A isn't engineering or financially feasible.

Councilman Bob St. Clair, as he did last week, Monday night again took the lead to get the state "to seriously consider lateral A."

A new letter to the State Highway Division, drafted by St. Clair, got unanimous approval of the other three councilmen Monday night. The letter urges the state to immediately give the city a report on the feasibility of lateral A—and if this report indicates A is more practical than B, the council next Monday at its regular meeting will consider a resolution advocating the shift from lateral B to lateral A.

The letter includes the statement that the city council went on record for lateral B last year, on recommendation of the state, and refused to consider any other lateral routes because the state said a lateral similar to A, wasn't feasible. Now that it is apparent the state is studying lateral A, the council wants to know the results of this study in order to make a fair decision on the petition drive.

St. Clair, answering a challenge from Ray Charette, Mission street merchant who last week said shifting the lateral would disregard other communities on the Peninsula, emphasized and was loudly applauded for his assertion: "It seems to me that our first responsibility — on freeways or anything else — is to the people of Daly City."

"We're tired of having the Division of Highways dictate to us," continued St. Clair. "Two years ago they said our Y-T lateral route, the one that is very much like lateral A, was infeasible from the standpoint of cost and engineering problems. Now the state hasn't been able to tell us if A actually is possible from these standpoints. Something is wrong, and it's

time we, the council, did something about it."

In addition to scores of homeowners advocating the shift from B to A are the Jefferson Elementary District School board and McKeon Company, builders of St. Francis Heights.

Trustee Tom Noonan of the school board, Chris and George McKeon, and representatives of the St. Francis Heights Association and Westlake Knolls again Monday urged the council to endorse the lateral shift.

Council Awards Westlake Ave., Water Line Jobs

Daly City councilmen awarded bids last week for two important east-side projects.

L. C. Smith Company, lowest of 10 bidders, got the contract for widening Westlake avenue, from Mission street to Niantic, for \$24,948. City gas tax refunds will be used and the job will require 40 working days. Classified as a major city street, Westlake will be widened five more feet on each side, resurfaced, and new curbs and gutters will be installed. The high bid for the contract was \$45,388.

Second award was an \$8940 contract with E. T. Haas Company for construction of an eight-inch water line, on Brunswick street from Wellington avenue to Hillside boulevard, and up Hillside to East Vista avenue. This pipe will be 1000 lineal feet in length and will be a major connection for the water system. City Engineer Bill Chapman described the project as another step to guarantee uniform water supply on the east side of the city, and "it will be a factor in our favor when the National Board of Fire Underwriters re-surveys Daly City next month."

\$50,000 Claim Against JUHSD

A \$50,000 claim against Jefferson High School District, filed by the parents of a six-year-old Pacifica boy who drowned on the Oceana High School site last November 3, has been referred to the district's insurance carrier.

Thomas and Alice Foley, 333 Carmel avenue, Sharp Park, hold the school district negligent in the fatality. Their son, Joseph Patrick Foley, was found lifeless in a storm sewer outlet pool. The district, at the time, according to Superintendent Edward Morgan, had not yet accepted the notice of completion from the site development contractor.

The high school district is awaiting a final settlement on its suit for a total of \$170,000 in damages against two major property owners, resulting from the land slide on the east bank of the Westmoor High parking lot and playfield.

Hugh Smith Jr. Loses Out

Planning Commission Refuses To Re-zone Former Hospital Site

There were plenty of verbal fireworks at last week's Daly City Planning Commission meeting.

More than 40 residents again turned out in force to protest Frank Garibaldi's petition for rezoning six lots, in the First avenue and East Market street area, from R-1 to C-1 for light commercial buildings.

The commission (chairman Richard Dwyer was the lone absentee), held over the matter because Garibaldi, Colma resident, wasn't present when the item came up on the agenda. The big throng of homeowners left the meeting en masse at this juncture.

Biggest outburst came when Hugh H. Smith Jr., motel owner of 6843 Mission street, was turned down, by 3-0 vote, on his petition for rezoning 10 lots in the Edgewood Terrace subdivision (once considered for the Mary's Help Hospital site), from R-1 to unclassified and R-3 (apartments). The commission held that approval of Smith's petition would constitute "spot zoning" in a predominantly residential neighborhood.

On hand to protest Smith's proposal was attorney Charles Garry and his wife, 482 Wellington avenue, who presented a petition against the rezoning, signed by 77 homeowners.

In new business, the commission approved Doelger Inc.'s tentative map of Westlake Unit 1-A, the area north of Westlake Park and Fernando Rivera School, which will be the site of 108 homes. City Engineer Bill Chapman and Doelger engineer Karl Timmons were instructed to work out a final arrangement of street patterns. The commission also approved the final map of Doelger's Westlake Unit 11-B, 29 lots for homes east of Skyline drive.

Two petitions for rezoning were rejected by the commission on the basis of spot zoning. One was filed by Mrs. (Continued on Page 2)

Police Find Man, 48, Dead In Apartment

Daly City police are awaiting a final coroner's report before closing the case of Richard Pierce, 48, whose body was found Monday about 6 p.m. in his apartment at 64 Los Olivos avenue.

Officer Richard Sims and Sgt. Charles Terry made the discovery after they were called by Robert E. Heath, 36, Pierce's landlord. Heath said tenants of the apartment last saw Pierce at 6 p.m. Saturday.

Police found an empty ant poison bottle and a "sticky substance" in an empty cup in Pierce's apartment. The victim's wife is Anna Rose Pierce, 876 Brunswick street.

Lions Club Slates Community Breakfast

Approximately 50 members of the Daly City-Colma Lions Club and others interested in a good cause will all gather at Spotlite Market on Hillside boulevard this Saturday morning for a breakfast to raise funds for the unit's youth welfare projects.

President George Glass of the Lions (he's also the boss at Spotlite) expects a full turnout for the breakfast. It starts at 9 a.m. and hearty appetites are encouraged.

Glass said the breakfast may become an annual affair to bolster the welfare funds. The local Lions sponsor a broad pro-

gram of youth promotion activities. These include providing eyeglasses for the blind and needy, scholarships to deserving students, and speech competition which could qualify the winners for national-level competition and awards.

"I'm looking forward to counting all members present at Saturday's breakfast," declared Glass. "I don't think I'll be disappointed."

He emphasized that the breakfast is open to "all residents of the community." All proceeds go to the Lions' youth fund. Call Glass at PL 5-5655 for breakfast particulars.

Cigar Store Pair Arrested

prior warnings. His answer again was nebulous, Beecher said.

Shaver, Beecher further explained, previously has stated that he thought the Daly City police were attempting to "harass" him and put him out of business. The store owner, Beecher went on, declared that if he had known the district attorney was involved in the case, he (Shaver) might have taken it "seriously."

Beecher pointed out that authority for the warrant for the arrests was from District Attorney Keith Sorenson's office.

Many complaints have been received from residents against the reportedly "objectionable" magazines, paperbacks and other materials on sale at the cigar store. The severity of this protest is evidenced by a policy at Our Lady of Perpetual Help School (one block from the cigar store) which prohibits students from even entering the store.

Many Daly City youngsters frequent the store to purchase candies and comic books, Beecher explained.

The charges filed against the couple come under section 311.3 of the penal code and constitute a misdemeanor. Six months in jail and a \$500 fine could result from successful prosecution.

Laura E. Sanchez, 142 Gambetta street, to rezone a lot on the corner of Gambetta street and Abbot avenue from R-1 to R-2, and the other was filed by James H. Ludlow, 232 Evelyn Way, San Francisco, to rezone one-half of a lot on Los Banos avenue from R-1 to R-3 for apartments.

The commission approved a petition filed by Gilmer J. Anselmo, of Milbrae, to rezone the northerly portion of the lot on Werner avenue behind the Rio Grande gas station, from R-1 to R-3.

In other action, the commission:

1. Held over until March 14 meeting action on application for use permit filed by Mrs. Charles W. Jacobs, 236 Belhaven avenue, Westlake, to erect a sundock on the slope in the rear of her property. The commission is awaiting a decision on the matter by the Westlake Subdivisions Improvement Association.

2. Approved use permit application of William E. St. Clair, San Francisco, for the construction of a four-unit apartment building on a lot on Mission street between Crocker and Evergreen avenues.

3. Approved variance application filed by Panorama Development Company to re-ut the required setback from 15 feet to varying distances on homes to be in Southern Hills subdivision of Daly City.

4. Approved Zita Corporation's application for variance to reduce required front setback from 15 feet to 10 feet and five feet for apartments at Eastmoor avenue and Gilman drive.

State Releases \$375,061 For Ben Franklin

Funds in the amount of \$375,061 for six new classrooms and locker and shower facilities at Benjamin Franklin School were granted Tuesday by the State Allocations Board in Sacramento.

Mid-State Construction Company will begin the project next week. Two hundred working days have been allotted for the classrooms work and 220 for the multi-use room additions.

The school board Monday night accepted the resignation of one teacher, hired three new teachers, approved the annual contract for audio-visual services with the county office, authorized a \$3346 change order on M. Pauline Brown School, and reviewed an enrollment report and revisions in the board policy handbook.

Officer Steve Steven apprehended the trio. They at first denied they were attempting to remove spotlights from one vehicle. Later, at police headquarters, the three young men admitted their intentions, Steven said.

Booked were George Gensel, 237 Abbott avenue; Frank Burgess, 66 Abbott avenue and Frank Vlahovich, 173 Gambetta street. Each posted a \$100 bond and \$5 cash for release. They are scheduled to appear in municipal court next Thursday.

Daly City police gave a disabled veteran the benefit of the doubt early Tuesday morning, but the second time around the man was arrested on a drunk charge for "belligerency" and breaking the rear window of a squad car with his crutches.

Booked at 3:30 a.m. was George J. Arata, 41, of San Bruno, who about 2:40 a.m. was stopped by Patrolman Tom Culley and was told to go home in a cab because he had been driving erratically south on Mission near Citrus.

Arata did take a cab, but he had it stop in front of a restaurant at 6712 Mission and again challenged the same patrolling officer, Culley, for stopping him in the first place.

According to Culley, and Lt. Bruno Conci and Officer Robert Crocker who then arrived on the scene, Arata threatened Culley and threw his crutches on the ground. While being placed in the patrol car, the re-

luctant Arata slammed his crutches inside the vehicle, cracking a rear window. Arata later was released on \$26.25 cash bail.

TEACHERS ASK \$83,000 MORE IN SALARIES

Salary requests by Jefferson High School District teachers for next fiscal year, if granted, will cost the district an additional \$83,000.

The seventh annual report submitted to trustees last week by the teachers' finance committee asks that the minimum-maximum teacher salary range be increased from \$5000-\$9300 to \$5100-\$9900.

The proposal includes boosting the annual wage increments on the 12-step schedule from \$200 to \$300.

Trustees took the four-page report under study. It was presented by chairman Clarence Lair and his committee of teachers Rodney Crittenden, Gladys Rodgers, Richard Coltrill, George Simon, Elman Rose and Rudy Tretten.

The proposals were based on the cost of living factor and the philosophy that the district can continue to attract and retain high caliber personnel only if salaries are adequate, according to District Superintendent Edward Morgan.

Three Youths Cited For Auto Tampering

Three 18-year-old youths were arrested Monday night for tampering with an auto parked in the carport at 81 Crestwood drive.

Officer Steve Steven apprehended the trio. They at first denied they were attempting to remove spotlights from one vehicle. Later, at police headquarters, the three young men admitted their intentions, Steven said.

'Laundry & Cooking Extravaganza' Set By Catholic Women

Plans are being finalized for the "Laundry and Cooking Extravaganza" to be held this Friday evening, February 24, at 8:15 p.m. in the Parish Hall of Our Lady of Mercy Church, 1 Elmwood drive, Daly City.

This event is being sponsored by the Westlake Catholic Women, Sears, Westlake store, and Pacific Gas and Electric Company. It will demonstrate how the household duties of modern women can be made easier with the use of the new electrical appliances.

Mrs. Evelyn Vaughan, PG&E home economist, will be the hostess for the evening. The following members of the

Westlake Catholic Women and children will model some of the miracle fabric clothes: Mesdames John Bennett, Albert Bucci, Phillip Fraher, Robert Markey, Howard Poblit, Robert Wagner, and for the younger set, Masters Tim McHugh, Patrick Moore, Teddy Reiterman, and the Misses Sharon Burns, Joan Greulich and Carol Tonelli.

Mrs. John M. Cresalia, president of the Westlake Catholic Women, extends a cordial invitation to all those interested in the show as admission will be free. Since space will be somewhat limited, it would be advisable to come early in order to obtain the best seats.

'Heart Sunday' Drive Launched

Heart Sunday for families in Daly City and Colma started February 22 and climaxes this Sunday.

Mrs. J. B. Wiener, Daly City, Colma Heart Sunday city chairman, will lead 825 volunteer area chairmen, captains and workers in the neighborhood campaign for the Heart Fund.

Each volunteer will visit approximately ten to twenty families in her immediate neighborhood. An official identification tag will be carried by each volunteer. The volunteer will call for contributions and will also leave a memorial gift envelope for use during the year. Families not at home during the five-day campaign will also receive this memorial gift envelope.

Mrs. James S. Edwards of San Carlos, Heart Sunday county chairman, said that "the Heart Fund volunteer gives each family in San Mateo county an opportunity to play a personal role in this fight against our number one health enemy. Your gift will strike a blow at the diseases which took more than 900,000 American lives last year—over half of our nation's deaths. Give generously for every heart in your family."

Valentine Party Hosted By Two Girl Scout Units

Brownie Troop 141 and Intermediate Girl Scout Troop 351 entertained their fathers at a Valentine desert party at Thomas Edison School on February 17. The opening flag ceremony was given by Jackie Cella, Susan House, Jill Jacobs and Robin Prenovitz of Brownie Troop 141. The fathers enjoyed homemade apple pie and ice cream at tables attractively decorated with traditional red and white colors. A short program was presented by the two troops, consisting of a pantomime of record "McNamara's Band," piano solos by Jeanie Wisler and Betty Shively, and a humorous skit presented by the Girl Scouts. All scouts and fathers joined hand for a Friendship Circle and closed the event with the singing of "Taps."

Participating were: Brownie Troop 141 Leaders Mrs. Esther Shively and Helen Wisler, and Scouts Marion Cass, Jackie Cella, Sue Fox, Valerie Garland, Susan House, Jill Jacobs, Robin Prenovitz, Karen Scott, Betty Shively, Janet West and Jeannie Wisler.

From Troop 351, Leader Mrs. Ruth Shalin, and Nanette Banks, Elaine Goldman, Mary Grangoff, Susan Hansen, Barbara Leitner, Paula Masterpole, Nicolette Obrisch, Christine Panelli, Margo Rangaves, Sally Smith and Marilyn Thorne.

The reunion party will be held on Friday evening, February 24, at 8 p.m., in the Richmond Masonic Temple, Arguello boulevard and Clement street. Former members of the chapter for the past 35 years who reside in the vicinity are scheduled to join with present members for the festivities.

A feature of the evening will be a review of the past master councilors.

PG&E OFFICIALS DISCUSS SAFETY AT VISTA MAR

Safety teaching at Vista Mar School in Daly City took precedence this week, when fourth, fifth, and sixth graders heard a talk and an accompanying demonstration given by representatives Mr. Ghiselli and Mr. Pockman of the PG&E.

With the kite season just a few days away, the discussion of favorable weather conditions and proper areas where children may fly kites safely were presented. The various experiments to prove the fatality which may result to children by not observing safety rules did much to further their minds the importance of following policy and rules in other areas of life.

His '34 auto swerved into the northbound lane, then plowed into the rear of a '53 sedan, registered to John Caffarata, 191 Hillside boulevard. Police Arrest Two Suspects On 'Bad Checks'

A former employee of Broadmoor Lumber Company and a recent customer of the firm have been arrested by Daly City police on separate charges of passing fictitious checks.

Sgt. Charles Terry of Daly City Police Department's inspector's bureau, last week booked Gerald G. Waters, 25, a carpenter, for allegedly passing four bad checks through the firm's ex-bookkeeper, William J. Sherlock, 50, an accountant who resides at 1033 Gilman drive, Colma.

Terry said the husky Waters and the bookkeeper were in collusion on the four checks which Waters wrote out and had cashed by Sherlock. Waters, according to Terry, had no money in the bank to cover the checks. The checks were dated May 4, 7, 9 and 24 last year.

Officer Phil LaBruzzo, working with Terry on the case, arrested Sherlock early in January for three similar bad checks, which were cashed presumably, Terry said, to cover Waters' fictitious checks—three for \$50 and one for \$100.

Although bank records showed that Waters' bank account had been closed in April last year, he assertedly wrote four checks a month later, knowing that he had no funds to cover the checks, Terry said.

LaBruzzo's report indicated Sherlock quit the lumber firm voluntarily on September 9 last year.

Both suspects are out on bail and are awaiting arraignment in municipal court.

Married only 11 days at the time of his arrest, Waters gave his address as 1627 48th avenue, San Francisco.

Wife Charges Husband With Severe Beating

A Daly City housewife last week filed a complaint against her husband, charging him with assault and battery for allegedly beating her at her home on February 11.

Police issued a warrant for Paul Witaschek, 42, a sheet-metal worker who lives at 480 Higate avenue. His wife, Ruth, told Police Officer Richard Sims that on numerous occasions her husband had beaten her. The last time, she said, he opened a door into her and kicked her in the back after she had fallen to the floor. The woman, according to Sims, is currently under a doctor's care for injuries she claims were inflicted by her husband.

Witaschek was freed on \$105 cash bail and is scheduled to answer the charges in municipal court, South San Francisco, this Thursday morning.

Order Of De Molay Oldtimers Night Slated February 24th

Islam Chapter, Order of De Molay, is completing plans for the 35th annual "Oldtimers' Night" program. It was announced by Robert B. Frank, master councilor of the chapter.

The reunion party will be held on Friday evening, February 24, at 8 p.m., in the Richmond Masonic Temple, Arguello boulevard and Clement street. Former members of the chapter for the past 35 years who reside in the vicinity are scheduled to join with present members for the festivities.

A feature of the evening will be a review of the past master councilors.

PG&E OFFICIALS DISCUSS SAFETY AT VISTA MAR

Safety teaching at Vista Mar School in Daly City took precedence this week, when fourth, fifth, and sixth graders heard a talk and an accompanying demonstration given by representatives Mr. Ghiselli and Mr. Pockman of the PG&E.

With the kite season just a few days away, the discussion of favorable weather conditions and proper areas where children may fly kites safely were presented. The various experiments to prove the fatality which may result to children by not observing safety rules did much to further their minds the importance of following policy and rules in other areas of life.

WESTLAKE BASIN SCHOOL

Ciampi Gets Another High National Award For Design Of Rivera

Mario J. Ciampi, the San Francisco architect who has designed 10 Daly City-Colma elementary schools as well as the \$3.6 million Westmoor High, last week was accorded another outstanding national honor.

Ciampi and his associate, Paul Reiter, received a first place honor award from the American Institute of Architects for their design of Daly City's Fernando Rivera School.

The AIA's annual competition, for all types of buildings, featured only seven honor awards.

Ciampi previously won national awards in architecture for his work on Westmoor, Vista Mar Elementary and Olympia School—all in Daly City. He currently has the Jefferson Elementary District contracts for M. Pauline Brown School in St. Francis Heights, a \$600,000 second increment to Westmoor.

High, and the job of reconstructing the gymnasium at Jefferson High.

Spectacular Fernando Rivera, located north of Westlake Park, opened last September and cost \$519,708 to build. The site alone cost \$204,200.

Life magazine photographers recently spent several days at Rivera and a national spread on the Daly City school soon will be published.

Iasore Thompson did the structural engineering on Rivera, and the mechanical engineering work was done by Dan Vandament and Associates. The firm of Harold Wright did the electrical engineering. Midstate Construction Company was the contractor.

The other six honor awards by the AIA went to: Edward D. Stone, New York, for his U. S. Embassy building in New

Thornton Beach Road Is Now Near Reality

Senator Richard J. Dolwig (R-San Mateo) announced today that Thornton Beach is on the way to becoming the reality for which San Mateo County has hoped and for which the Senator has worked continuously. As a result of a \$200,000 appropriation in the 1959 State Budget secured by Senator Dolwig, the building of an access road to replace one washed out by heavy storm drainage can now be undertaken, opening the beaches to the general public for the first time in four years.

Since last September, the Division of Highways has been preparing studies to determine cost estimates and this past week have come up with three possible solutions for the road connection from the Park to the Old Coast Highway, costing about \$200,000. The Division of Beaches and Parks will select one of these routes this week.

The Division of Highways estimates a minimum of four months will be required to complete their final surveys, plans and other materials necessary to put the job out to bid. "Finally," stated Senator Dolwig, "this latest step virtually assures that the citizens of the Peninsula will be able to take advantage in the near future of this beautiful coastal beach."

St. Francis Heights Resident Completes Insurance Training

Lep Paoli, 204 St. Catherine drive, local representative for Mutual of Omaha and United of Omaha, has recently completed the comprehensive insurance course offered at the National Sales Training School session in San Francisco.

The school was held at the Sutter Hotel under the direction of Tom Wood, San Francisco Training Director. It is the first step of a formal educational program established by Mutual of Omaha to provide its representatives with the advantages of professional training methods.

Paoli was chosen for the National Sales Training School through a selection interview analysis. On the average, only one out of eight applicants is able to pass the rigid entrance requirements.

Paoli is associated with Vince Monitto Agency in San Francisco.

JEFF, WESTMOOR ENTRIES NAMED FOR LIONS' SPEAKERS CONTEST

Eight precocious young people will compete in the Daly City-Colma Lions Club's annual student speakers' contest. Four finalists will appear before the club next Wednesday noon, March 1.

Concentrating on the topic, "Our American Heritage," are Jefferson High School's Sandra Calavano, Jenny Jacobsen, Donna Ritter and Roy Van Otten, and from Westmoor High School, Jacqueline Trip, Jean Cole, Janet Spears and David Hoag.

Lions' chairman for the presentation is Elio A. Fontana, a member and past chairman of the high school board of trustees.

Rudie Tretten of the Jefferson faculty and Miss Mary Ann Holden of the Westmoor staff are supervising the entrants.

The local winner next week will advance to Lions' zone competition, and then to district finals.

The Lions' district Four winner will receive a \$1500 scholarship to any accredited junior college, college or university, and a trophy will go to the winner's school. Three runners-up at dis-

'Cal-Vet' Home Buyers Urged To Up-Date Fire Insurance

Veterans and their families in homes under Cal-Vet contract will be advised to take a good look at the fire insurance protection they now have to see if the coverage is high enough to match the present value of their property, State Director of Veterans Affairs Joseph M. Farber announced today.

Farber said all contractholders will receive this advice with their monthly statements for March.

"In particular we are worried about homes and farms with insurance values determined several years ago," the director stated. "The appreciation of most California real estate and improvements has been substantial in the past several years, and a property insured for \$12,000 or \$13,000 in 1953, for example, may be worth several thousand more than that today."

"In other words, we are concerned with the insurance 'lag' that exists for many of our Cal-Vet homes, and we are calling it to veterans' attention so they may consider increasing their property protection."

Low-cost fire insurance is available through the Department of Veterans Affairs, under agreement with an insurance company, for a five-year term. The coverage is for "all physical loss" on dwellings and garages, and other farm buildings, are insured against fire, lightning and perils of extended coverage.

Veterans obtaining Cal-Vet loans are required to insure in an amount equal to the approximate cost of replacement. The Department pays the insurance premium directly to the company and charges the amount to the purchaser's account.

Contractholders who want to increase the amount of coverage, to bring it in line with increased market value of their property, will be advised to contact their Cal-Vet loan

Eagle Scouts To Be Feted Friday In SSF

The San Mateo County Council of the Boy Scouts this Friday night will give special recognition to all the boys who received Eagle Scout awards in 1960. Superior Court Judge Frank Blum will preside at the special session in the South San Francisco court chamber, starting at 7:30 p.m.

George Winters of San Bruno is in charge of the committee arranging the program, assisted by Robert Fizer of Pacifica and Ray Lichtenberg of Colma. Among the Scouts to be feted are Timothy Tweedie, Troop 259 of Daly City; and Albert O'Bannon, Larry Christiansen, Ferdinand Moser, Michael Hensen, Thomas Harrison, Dwight Recht and Andrew Williams—all of San Bruno.

The entire program is being coordinated by Councilman Guido Rozzi of South San Francisco.

Ribera Named Asst. Principal Of Terra Nova

High school trustees last week, on recommendation of Superintendent Edward Morgan, appointed Ernest J. (Ernie) Ribera as assistant principal of Terra Nova High School. He will assume the post this September when the new school opens in Pacifica.

Ribera, 39-year-old resident of San Bruno, presently is dean of boys at Terra Nova High. The school functions at Westmoor in the afternoon session, and is headed by Principal Dr. Harold Tonini.

Ribera, father of six children, has been with Jefferson High School District since January of 1949. He was at Jefferson High until 1956, serving as a history teacher and he coached

ERNEST RIBERA

track and fresh-soph football. With the opening of Westmoor, Ribera was moved to the Westlake school, where he was chairman of the social studies department and worked as a counselor. He also coached track and cross-country at Westmoor.

Ribera received his A.B. degree in 1946 from San Jose State College, his general secondary credential there in 1949, and he obtained a master's degree in 1954 from Stanford. In 1956, Ernie was president of the Jefferson High School District Teachers Association.

Ribera is a lieutenant colonel in the United States Marine Corps reserve. He saw combat duty in the South Pacific during World War II, holding the rank of first lieutenant, and was recalled to Korea for one year, advancing to captain. From 1951 to 1959 he remained active in the Marine reserve reserves and just recently was promoted to lieutenant colonel.

Chamber Views Excellent Film On School Fire

Last week's Daly City Chamber of Commerce meeting featured the showing of an excellent film entitled "Our Obligation," a documentary on how serious school fires can be and how they can be prevented.

Fire Chief Elmer Kennedy and Bttn. Chief Wayne Alexander explained that the film will be shown to any groups who wish to view it. The movie was prepared by the Los Angeles Fire Department and Board of Education and involves an actual fire that brought tragedy to a typical school.

The Daly City department shares the film with the South San Francisco, San Bruno and Burlingame departments. It was purchased for these fire departments by the North San Mateo County Insurance Agents Association.

Faculties of all Daly City-Colma schools and PTA units have scheduled the film, and Kennedy said his battalion chiefs already have presented it to many groups.

Alexander commented that Daly City has a very satisfactory fire alarm system, particularly in the schools. "We have a \$250,000 investment in this system and it is a major asset to the community."

Nine of Daly City's schools are connected to it, Alexander explained, and more schools are to be linked with the system here.

Westlake Baptist Church

Earl Harvey Chorale Will Highlight DC's Big 'Brotherhood Rally'

The Earl Harvey Chorale will be featured in singing five numbers at the Brotherhood Rally, for all people of this community, at the War Memorial Community Center of Daly City this Sunday, February 26, at 8 p.m. This is the second annual event of this kind to coincide with National Brotherhood Week which has been fostered by the National Conference of Christians and Jews.

The Daly City Ministerial Association, of which the Rev. E. Clark Robb is president, is sponsoring this local rally. The Rev. Herbert Tweedie is rally chairman.

Frank Quinn of the San Francisco Council for Civic Unity is the speaker on the subject of brotherhood. Civic and religious leaders of various faiths will participate. Larry Shore and Penny Tweedie will speak briefly representing Jewish and Christian youth. The

Earl Harvey singers of Oakland will culminate their presentation as they sing, "No Man is an Island," arranged by Ringwald. Boy Scouts will assist in the rally and the young people of Westlake Baptist Church will serve refreshments at the fellowship time following the program.

Tweedie explained: "This event will emphasize that brotherhood is giving to others the rights and respect we want for ourselves. All citizens of all faiths are cordially invited to attend to support this concept of brotherhood and to get acquainted with one another for greater mutual appreciation and understanding."

Wells Fargo Bank Promotes Monte Robinson

Monte J. Robinson, of 177 Oliver street, Daly City, has been promoted to assistant cashier at the Crown Zellerbach office of Wells Fargo Bank American Trust Company in San Francisco.

Associated with the bank since 1950, he has held one of banking's most unusual assignments during the two years of 1956-58. He served as banking officer aboard the S. S. Monterey calling on such ports as Australia, New Zealand, and Tahiti.

Wells Fargo American Trust is the only U. S. bank to maintain facilities on ships visiting foreign ports. Its men first held the post of banking officer aboard the Matson liners, S. S. Monterey and S. S. Mariposa, in 1935. The service was continued from then until the outbreak of World War II and was started again in 1956 when the new ships were put into service.

Robinson graduated from Daly City's Jefferson High School and attended San Mateo Junior College. He is now completing studies at the University of San Francisco for a degree in business administration and finance.

AROUND TOWN

By ROY HURLBERT

PROMOTION of David Hansen and Jack Walsh to lieutenants has brought reassignments by Chief Roland Petrocchi in Daly City's police department.

With these lieutenants now, the departments has initiated a new organizational system which Petrocchi says will enable it to do a better job of in-service and on-the-job training.

Captain Roy Beecher, second in rank to Petrocchi, is the supervising director of the new set-up. Hansen now heads the inspectors' division, Sgt. Henry Sundermann is in charge of the day watch, Lt. Bruno Conci heads the swing shift, and Walsh is in command of the graveyard shift.

The system further will be strengthened with the appointment of one new sergeant this spring, and possibly one more next fiscal year.

Daly City's senior police sergeant, Rico Benedetti, is taking sick leave. Good reason, too. He broke his toe.

Rico is a very spry 63 summers 'young'.

The most populated of Daly City-Colma's 18 elementary schools is Thomas Edison in Westlake with 816 students. The smallest is Thornton with 130. Benjamin Franklin has 891 seventh and eighth graders, while Colma Intermediate has 624.

The school district has 8374 students, and 4264 of these are boys.

DR. LIONEL FARBER won't admit it, but he's one of this country's experts in the field of biochemistry research.

The Daly City Library Commission chairman's ability is evidenced by his receipt of a fellowship which will take him to none European countries this year.

PRINCIPAL of Colma Intermediate, Dr. Bernhard Gerdes, and his school teacher wife this summer will vacation in Hawaii.

He says he hasn't taken a "long" trip for quite some time. Hawaii is long by distance, but short by jet time. About 4 1/2 hours.

ELIO FONTANA says the Jeff High Alumni Committee expects a heartwarming turnout this Saturday night in a reunion party at Millbrae. One of the Jeff's 90 grads from the class of 23 years ago wrote from New York City that he was making plans to travel 3000 miles for the get-together.

DALY CITY'S fiftieth birthday is March 22. Twenty-nine members of the celebration planning committee at its last meeting said the affair is picking up steam.

Budgets for all the various activities next will be confirmed and sent to the council. And just to keep track of all expenses, the committee will be incorporated, on paper, via attorney John Putkey.

CASE you are interested in such things, the Daly City Chamber of Commerce has \$4159.49 in its treasury, according to its latest financial report.

The Chamber's priority projects now are working up a new set of by-laws and finalizing the layout for a new brochure.

JEFF AND WESTMOOR students will submit entries in a poster contest to advertise Daly City's October celebration. Foster and Kleiser is footing the bill and the winner's poster will be displayed on local billboards.

DRUGGIST Elton McGraw of the Lions Club is in charge of the flags displays for Daly City's anniversary year. Suggested are giant flags for the entrances to the city, and there'll also be a contest for a celebration design to be put on these flags.

A \$25 Savings Bond will be first prize.

AND as for beauties, Daly City will crown a pair this year. The annual "Miss Daly City" contest will be held, as usual, this summer. Just prior to the October 7-14 celebration week, "Mrs. Daly City of 1911" will be selected. In case there isn't a woman eligible for the 1911 honor, the next earliest year will do.

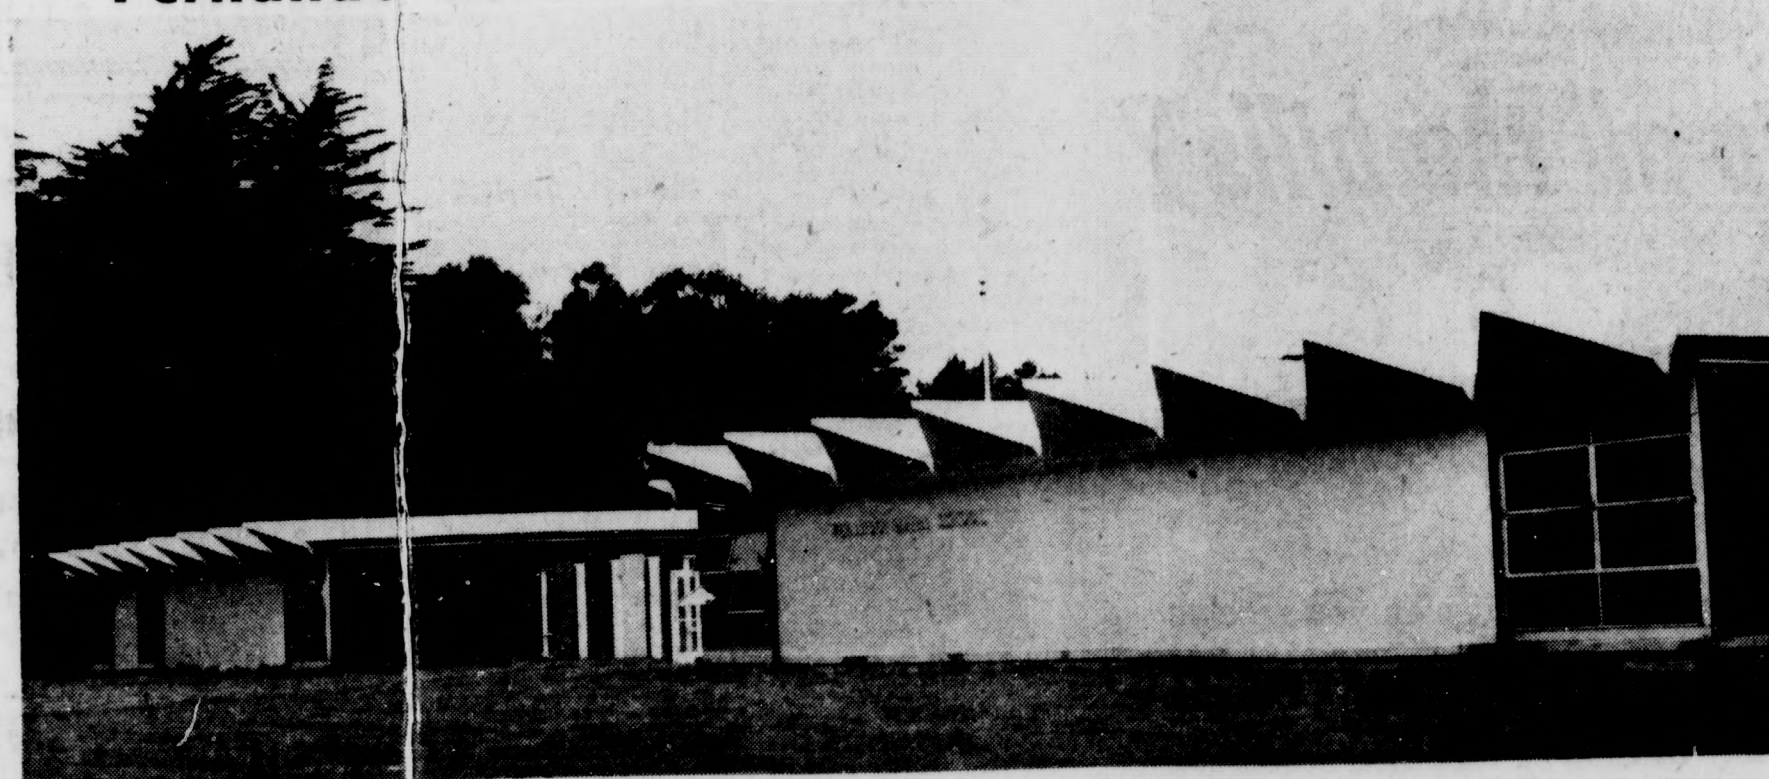

IT'S nice to know that Nan Melinec has returned to her Broadmoor home after a long hospitalization for injuries she suffered in a Bayshore car accident that took the life of her husband, Steve, long-time member of American Legion Post 824.

Nan was bedded down at Letterman Hospital for six months, an unusual situation because she has worked at the same hospital in Ward 2 for 15 years.

The auto mishap last August almost was fatal for Mrs. Melinec. She sustained two broken arms, a broken right leg, a fractured left hip, a broken collarbone, and deep facial cuts.

Nan is gradually getting used to being back on her feet again. Friends might do well to cheer her. She lives at 1147 Nimitz drive. The phone number is FLaza 5-8369.

'Brotherhood Week' Luncheon This Friday At Broadmoor Church

The Daly City Ministerial Association, observing National Brotherhood Week, will stage a brotherhood luncheon this Friday noon, February 24, at the Broadmoor Presbyterian Church.

Local civic, school and religious leaders of all faiths have been invited. Cantor Harold Wachter of Temple Judea will sing, and Carl Justus of the National Conference of Christians and Jews will speak. The Rev. Herbert Tweedie is host pastor.

On Sunday night, February 26, the Ministerial Association will host a Brotherhood Rally in Daly City's War Memorial Community Center, starting at 8 p.m. The event is open to all residents of the area. See story on inside page for more details.

Capuchino Dean Of Girls Gets 17th District PTA's Top Honor

"Founders' Day," the 64th anniversary of the Congress of Parents and Teachers, was celebrated by 17th District PTA in Redwood City last Thursday. A combined executive board and regular meeting with President Mrs. Foriest Cunningham presiding brought to light that the inception of Congress of Parents and Teachers dated back to February 1897, and at present the organization is fully recognized for its worthy cause throughout the nation.

Past district presidents and honorary life members of CCPT had an opportunity to get together on this memorable occasion. Those present were the Mesdames J. J. Garland, Stella L. Jensen, M. G. Strohmeier, Harry Caplan, George Elliot, Roy W. Cloud, J. B. Mills, and Winnie Lucas; Messrs. Andrew Spinas, Seth Cohn, Elman Rose, Michael Orlich, Virgil Blue, Keith Sorenson, Lester Nettle and Ulysses Mitchell.

Entertainment included the Boys' Special Choir, under the direction of Mrs. Stella Wood, who rendered a medley of Rogers and Hammerstein hits as well as an Israeli Folk Song titled "Shalom Chaverim." A Socio drama, "Help Wanted," under the direction of John Petri, Peninsula Little Theater, established family reaction on the subject of working wives and mothers, with Shelby Guild psychologist, Redwood City School District as narrator.

The 17th District Board of Directors participated in the "PTA Mikado," accompanied by the Mothersingers of South San Francisco under the direction of Mrs. Roy Cloud. The musical portion of the skit was directed by Mrs. H. F. Curtis. The "Mikado" was a humorous take-off of a regular PTA meeting with Mrs. Cunningham conducting. Other characters were played by the Mesdames L. E. Engleman, L. H. Prager, John Pleskach, R. J. Deremer, C. N. Underwood, A. J. Huele, J. B. Mills, R. N. Cloud, David R. Sears, J. P. Cuneo, Joseph Checke, R. E. Todd, James T. Yamakoshi and Joel Yager.

The Honorary Life Membership Award was given to Mrs. Janice Robinson, Dean of Girls at Capuchino High School, who was instrumental in securing funds so that the Girls' Band could attend the President's inauguration in Washington, D. C.

Mrs. Robinson, a graduate of Oakland Technical High School, attended University of California and later UCLA. She began her teaching career at Burlingame High School in 1928, transferred to San Mateo High School in 1945, and when Capuchino High opened in 1950 was made Dean of Girls. Mrs. Robinson has been active over the years in sponsoring youth projects including Girl Scout activities. She served as teen-age Girl Advisor and headed the Summer High School Program. The presentation of the Honorary Life Membership was made to Mrs. Robinson by Organization Chairman Mrs. G. E. Steacy, reciting an original poem for the occasion by Mrs. Fred M. Baldrin.

300 Turn Out For Spaghetti At Jeff PTA

A delightfully congenial crowd of more than 300 parents, friends, children, and members of the Jefferson High PTA enjoyed a tasty spaghetti dinner in the school cafeteria last Thursday evening.

Music was provided by music instructor Richard Larsen's school jazz band.

A good part of the money earned will go into the student welfare fund for the use of needy students.

Mr. and Mrs. A. Castle, co-chairmen of the dinner, were highly complimented for their part in preparing the delicious spaghetti. Many came for second helpings.

The Jefferson PTA's executive board was on active duty in preparing, serving, and cleaning up afterwards.

Kusner Bros. Mfg. Co. provided the decorative lamps that were used on the tables. Mrs. Louis Parish made the leaf arrangements on the tables.

A bazaar table consisting of aprons, pot holders and other handmade articles made by members of the executive board earned a profit of \$37.

DC Army Officer In Annual Missile Firing Exercises

Army Chief Warrant Officer Eugene Howard, 35, whose wife, Virginia, lives at 824 North Mayfair avenue, Daly City, participated with other personnel from the 51st Artillery's Battery B in annual missile firing practice at McGregor Guided Missile Range, New Mexico, January 25-February 4.

During this practice 250 batteries from all parts of the U.S. fired Nike-Ajax and Nike-Hercules missiles at radio-controlled drone targets. Each unit was rated for its skill in the preparation, assembly and launching of missiles and for the actual destruction of targets.

Howard is a radar maintenance officer in the battery which is regularly located at Fort Cronkhite, Calif. The warrant officer entered the Army

Highest PTA Award To Palmiro Nalli

The Honorary Life Membership, the Parent-Teacher Association's highest honor, was awarded by the Westmoor and Terra Nova High School units last Thursday to Palmiro Nalli, the units' president.

Mrs. Gene Sebastiani, chairman of the HLM committee, briefly outlined standards by which a dedicated individual is chosen for extraordinary achievements in the fields of youth welfare and development, promotion of school activities, and service to the community and church. HLM committee members serving with Mrs. Sebastiani were the Mesdames Benjamin W. Pulsifer, Edward Perry, Everett Heick, and Mr. Roy Johnson.

"Pal," as he is affectionately known by PTA members and friends, served 18 years as a working member, instructor in wrestling, boxing and swimming, with the Boys Club of America in Worcester, Mass., and locally. He helped organize the Broadmoor Boys Club and served as an officer of that organization. He is the 1961 president of the Broadmoor Property Owners Association and has worked on numerous committees for the betterment of the community.

Pal's church activities go back farther than he remembers, and he is presently serving as parliamentarian for the church's men's club.

The units have awarded Honorary Life Memberships since its start in 1957 to Glenn South, principal of Westmoor High School; Edward D. Morgan, District Superintendent; and Mrs. Sebastiani, long active PTA member.

'Lots Of Fun' On Snow Trip

Each year, snow and its beautiful wonders beckons the Girl Scouts of the Daly City-Cornelia area to partake of its dazzling offerings.

On February 11, 105 junior high age Girl and Senior Scouts, accompanied by nine adult leaders, had a glorious day in the snows at Squaw Valley.

Three chartered Greyhound buses left Daly City at 3:30 a.m. in the rain. As the buses slowly neared their destination, the rain became sleet, the sleet changed to hailstone, and the hailstone in turn became snow — fluffy, white, awe-inspiring snow. The Girl Scouts were indeed in luck to glimpse at first hand the fine powdery snow that blanketed the countryside.

It was so dense that the peaks of the mountains could not be seen. The youngsters were so delighted with their good fortune that as soon as they alighted from the buses they began bombarding each other with snow balls. They gave up on thoughts of skiing, sleighing, or ice skating but turned their thoughts to sliding down the hillside on aluminum flying saucers or inflated inner tubes.

Another new experience for the Girl Scouts was the sight of snow ploughs clearing the roads for safe travel.

The youngsters browsed around and shopped in the curio shops, ate in the lunchrooms, and visited Squaw Valley village where the Olympic stables were housed last year during the Olympics.

Mrs. Blanche Button, chairman for the outing, was assisted by the Mesdames: J. Anderson, H. Edmonson, Z. Henesse, M. Krause, L. Kulberg, M. House, M. Phillips, and S. Stone.

Foreign Exchange Student Speaks To Women's Club

Heinz Weiss, foreign exchange student, a voluntary contribution to the South San Francisco Boys' Club Fund raising campaign, and a resolution to be presented to the city council were the high points of interest on the agenda of the regular business meeting recently held by the South San Francisco Women's Club.

Heinz Weiss, from Switzerland, is attending South San Francisco High School as this year's foreign exchange student. He spoke informally of his homeland, showing snapshots, travel folders, maps and his own books with representative pictures of Switzerland. Young Heinz was introduced by Mrs. William Cottenham who is International Hostess of Golden Gate District of the California Federation of Women's Clubs.

The Cottenhams are "foster family" for Heinz as he is sharing their home during his year here.

Since the Women's Club recently approved a letter from the club endorsing the aims of a Boys' Club, a follow-up was acted upon by sending a voluntary contribution to the funds now being raised to make the club a reality.

The Garden Section, under the chairmanship of Mrs. James Howard, presented for approval a resolution that the wild iris, native to this area and remembered by many longtime residents, be adopted as the city flower. The resolution was approved by the club and later presented to, and adopted by, the city council. The garden section now plans to cooperate with the city park department by obtaining bulbs for transplanting to be used by a city gardener in beautifying the City Hall ground and Orange Avenue Park. It is also hoped that bulbs can be cultivated in home gardens.

SOUTH SAN FRANCISCO

Women's Club Schedules Second Annual Spring Arts & Crafts Exhibit

March 24 and 25 have been set as the dates for the second annual spring Art and Craft Exhibit sponsored by the South San Francisco Women's Club in their clubhouse at 470 Grand avenue.

"Last year's show was so overwhelmingly accepted by artists and viewers that we hope to make this a yearly tradition to contribute to the cultural advancement of our growing community. All eligible artists are welcome to register and all persons interested in viewing the endeavors of our fellow residents are cordially urged to attend the exhibit," invites Mrs. Sherman Nash, president of the South San Francisco Women's Club. "Since our object is to proudly encourage, recognize, and admire the talents within our own community, there will be no admis-

sion or registration fee but a silver tea will be offered." As chairman of this year's exhibit, Mrs. Ralph Marcus explains: "A person interested in expressing himself in any medium of artistic endeavor is welcome to exhibit his achievements. To be an eligible entrant one must be an adult resident of South San Francisco, employed in South San Francisco, or a senior art student at the local high school. We, unfortunately, cannot reach all artists, so we sincerely urge that you do not wait for an invitation. Please call and register with me, Mrs. Marcus, JU 3-4725, or with Mrs. Harry Leitner, JU 8-0733."

Friday, March 24 will find the exhibit open during the hours 2-5 p.m. and 7-9 p.m. On Saturday, March 25, the exhibit hours are 2-5 p.m.

"Stop Worrying About Food Enjoy Yourself," Says Doctor

"Americans should stop scolding themselves at the dinner table and start enjoying their food again," an American Medical Association official said recently at a meeting in Louisville, Kentucky. He is Dr. W. W. Bauer, of the Department of Health Education of the A.M.A.

Dr. Bauer said this constant worry about what we should eat can bring on neuroses about food. He indicated that ideas about food have changed over the years and that today there is confusion about diet which "arises from public ignorance or misunderstanding of the multiplicity of scientific discoveries."

The medical man said: "I have no quarrel with the researchers and I have no criticism of doctors who eliminate cholesterol from the diets of patients for good and sufficient reasons, but I do believe that the fear image is dominating those who banish from their diets all the good foods that may possibly contain cholesterol and which people have been eating for generation upon generation."

His single dietary suggestion was "the old-fashioned definition of a fully rounded diet—three square meals a day."

Dr. Bauer said Americans worry too much about whether they should eat certain foods because of the calories or cholesterol and end up making their meals an ordeal instead of a pleasure.

The American Heart Association, and the American Medical Association have recommended that no basic changes be made in the diet unless specifically ordered by a physician for a specific reason. These groups also indicate that the basic foods in the diet should include milk and dairy products, meats, fruits and vegetables, and breads and cereals, all taken in moderation.

Interested parents are urged to notify the school of their intention to attend as soon as possible.

Frank Martinelli Jr. announces that the Colonial Steak Pit's "Speakeasy Room" will feature a frolic with Cris Michaels, pianist and vocalist, and Jimmy Ware, vocalist and bass, on Sundays from 6 to 10 p.m.

Between dances at the frolic, Cris will lead community singing.

More Tryouts For Players' New Comedy

Tryouts for the play, "Chamagne Complex," will be continued this Friday, February 24, in the multi-use room at Benjamin Franklin School in Broadmoor. This school may be reached by proceeding from 87th street to Matildux drive and then to Stewart avenue. The tryouts for this play by Leslie Stevens will begin at 8 p.m.

This play, which the Daly City Players plan to present in May, is about the fiancée of a young business tycoon who frequently gets "high" on champagne and proceeds to undress. The boy friend naturally frowns on this and calls in his psychoanalyst bachelor uncle to treat her. Unfortunately the psychoanalyst soon develops more than a clinical interest in his patient.

The part of the girl with the complex, Allyn Macy, was originally played by Polly Bergen. The other two characters in the play are Helms Fell Harper, the tycoon, and Carter Bowen, the psychoanalyst.

Daniel Webster PTA Has 'Good Old Days' Fun On First Birthday

Daniel Webster PTA celebrated its first birthday by turning back the clock at the Founder's Day meeting, February 15, and reliving the "good old days" with an authentic fashion show and "Barber Shop Quintet."

Announcer for the evening was Mrs. John Duling, historian. Mrs. Ralph Munowitch narrated the past history of PTA, while Earl Hall narrated the fashions. John Duling was the pianist.

Turning the "Album of Memories" back, 189 was the beginning of the narration. President Mrs. Del Wilson and her escort, Bob Colclough, dressed in "Gay Nineties" bathing suits, brought back the days of the horseless carriage and the opening of the Boardwalk of Atlantic City to the tune of "By the Sea."

In a "Sunday Best" silk taffeta gown with muffs and a jacket to match, Mrs. William Sowl, vice president, represented the year 1897 when Grover Cleveland was in the White House.

The era of the "Gibson Girl" and the year 1902 was relived by Mrs. Robert Schultz, in a high-necked blouse, long blue skirt and white parasol.

Mrs. T. L. Leach of San Mateo, donor of all the lovely fashions for this event, modeled a dressy sheer of pink stripe organza, worn in 1906, the time of the earthquake and fire in San Francisco and the days of "sweep" skirt.

To the strains of "O, You Beautiful Doll," Mrs. Robert Colclough, treasurer, modeled a black gown, studded with jewels and a large black hat trimmed with feathers looking as though she just stepped out of a picture book.

Wearing a purple dress with a high neck of lace and a jacket to match the dress, Mrs. Earl Hall brought back the era of the "Merry Widow" hat and the year 1910.

Ordinance No. 531

ORDINANCE AMENDING ORDINANCE NO. 416 OF THE CITY OF DALY CITY AND ESTABLISHING WATER RATES IN AREAS OUTSIDE OF THE CITY OF DALY CITY. The City Council of the City of Daly City does ordain as follows:

Section 1. Ordinance No. 416 of the City of Daly City is hereby amended by striking therefrom Section 2, as though the same had never been enacted, and substituting therefor the following section:

"Section 2. For any water sold and delivered to any person or property not within the corporate limits of the City of Daly City, an additional charge for such water so sold and delivered shall be added to the established rates for the sale and delivery of water. This added charge shall be a sum equivalent to 100% of the established water rates for the City of Daly City."

Section 2. The City Council of the City of Daly City finds that the imposition of this additional charge is necessary by reason of the fact that any areas outside of the corporate limits of the City of Daly City served by Daly City Water service, must pay a surcharge to equal the cost of production of water paid by residents of the City, particularly in view of the fact that areas outside of the corporate limits of the City were not burdened with the cost of bonded indebtedness for the benefit of the Water Department, and further by reason of the fact that such areas pay no taxes to offset the cost of certain administrative services provided to the Water Department by the City of Daly City, but not directly charged to such department.

Section 3. This ordinance shall be published once in The Record, a newspaper published in the City of Daly City, and shall take effect immediately. This ordinance is adopted as an urgency measure by the City Council of the City of Daly City in order to effect an immediate adjustment in water rates for areas outside of the City of Daly City, in view of the fact that the present rates charged is less than an adequate sum to cover the cost of production and sale of the water, and further, to equalize the cost of production and sale of water insofar as residents and taxpayers of the City of Daly City are concerned.

Introduced and adopted this 14th day of February, 1961, by the City Council of the City of Daly City at a regular meeting of said City Council.

The vote of said Councilmen is as follows:

AYES, Councilmen: DeBernardi, Dennis, St. Clair, Verducci, Pacelli

World War I and the year 1918, when everyone was doing his bit, was represented by Mrs. Richard Nishkian in a navy blue suit and blue straw Red Cross hat.

1922, when prohibition went into effect and women were given the right to vote, was recalled to mind by Mrs. Daniel Relei in a silk brown dress, fur fox piece and hat designed to almost cover the eyes.

Mrs. Albert Donati, in a bright red "flapper" dress, dangling a cigarette encased in a jeweled cigarette holder, brought the "Album of Memories" up to the "Roaring Twenties" to conclude the fashion part of the program.

The "Barber Shop Quintet," consisting of teachers Monty Davis, Leonard Sarkon, Thomas Notaro and fathers William Sowl and Daniel Relei, was an added highlight of the evening. They gave their rendition of such songs as "Memories," "Bird in a Gilded Cage," "Strolling Through the Park" and "On Moonlight Bay."

Special feature of the evening was the awarding of the coveted honorary life membership to Mrs. Del Wilson, charter president of the Daniel Webster PTA.

Kindergarten mothers, were the hostesses and served the birthday cake following the program.

CAPUCHINO CAGERS RALLY TO OVERTAKE INDIANS, 62-57

INVADERS CINCH TITLE

Jeff Holds Mustang Ace To Three Points, But Brunans Bag Win

Jefferson High's varsity cagers lost the Peninsula League championship here last Friday night as unbeaten Capuchino, the third ranked team in Northern California, rallied in the closing minutes to deny the Daily City five of a triumph that they deserved. A capacity crowd witnessed the titanic.

Coach Mike Orlich's Indians dominated the action for more than three quarters. Furthermore, they held Capuchino ace Randy Rothman, a 6-3 jumper bound for collegiate stardom, to three free throws—his lowest output of the year.

Gary Molossi, who did the king-size job of containing Rothman, shared Jeff's high point laurels. Molossi, Hiram Sibley and Alan Lee each tanked 15 points for the Indians. Capuchino's sparkplug was George Claudon with 20 points. Bob Baugh had 17 and Greg Rodgers 12 for the champions.

Jeff led at the end of the first quarter, 18-13, at halftime, 31-30, and the third quarter count favored Capuchino, 47-44.

The turning point came with just a few seconds left when Jeff's Bobby With went in for a layup, with Cap ahead, 61-57, but With hesitated and passed off the ball and no bucket resulted.

The victory was Capuchino's 11th in a row in league standings, while Jeff was 9-2 entering games this week with San Mateo (Tuesday) and against

Westmoor, at Jeff this Friday night at 7:30.

Wednesday last week the Indians warmed up for the showdown with Capuchino by spanking Mills, 78-61. Molossi hit for 24 points, Lee for 21 and Sibley for 18 in that battle.

Rich Warner's Jeff's 30's lost to Mills and Capuchino last week.

The Indian cagers conclude the campaign on March 3 when they host South San Francisco in a night game.

If Jeff maintains its present pace, the Indian varsity could qualify for the Peninsula tournament March 9-11 at Stanford. As of this week, the Indians had a 21-4 seasonal record—one of the best in the Bay Area. Three of Jeff's losses were to Capuchino.

BYA Tigers Slat Baseball Tryouts

The BYA Tigers, junior baseball team, will hold tryouts this Saturday, from 10 a.m. to noon, at Daly City's Marchbanks Park. Eligible for the squad are boys who have not reached their 14th birthday by March 1. The manager is George Pedroni.

It's News To Vets

Q—I am a widow of a World War II veteran who died early this year, but am ineligible for death pension this year because insurance proceeds puts my annual income this year above \$3,000, the ceiling set by law in determining eligibility for pension for a widow with dependents. Is it true, as I've been told, that my two small children may be eligible?

A—Yes, they may be. If there is no widow, or if the widow is ineligible, minor children of a veteran are eligible, if the child's annual income does not exceed \$1,800, not counting his own earnings. One child will receive \$35 a month; each additional child adds \$15 a month. An unmarried child is eligible until age 18, or until 21, if in an approved school.

Q—My discharge from wartime military service was under honorable conditions, but later I served another period of active duty and received a dishonorable discharge. Could I be admitted to a VA hospital?

A—The second discharge would not bar you from VA hospitalization. Under the circumstances, you still retain your eligibility for medical benefits which you gained through war service. But you cannot be buried in a National Cemetery.

Q—I am a peacetime veteran. Am I eligible to enter a VA domiciliary?

A—Yes, but you must be permanently disabled, have been discharged for a disability incurred in line of duty or be receiving compensation for a service-incurred or service-aggravated disability, have no adequate means of support, be incapacitated from earning a living and meet certain other requirements.

Q—Does anybody know how many veterans of our wars are still alive in the United States today?

A—As of the end of 1960, there were an estimated 22,475,000 veterans in the United States.

Wherever disaster strikes, Red Cross is on the job. All Americans have access to Red Cross services, and it is the trained volunteers, 155 of them for every paid staff member, who make this great work possible.

JEFF HIGH'S 130-pound basketball team may finish in the second division this year, but the lessons they've learned

should pay off in the future. Front row (left to right) are starters: Darwin Haanen, Mike Schultz, George Claus, Stewart Sibley and Jim Carmazza. Standing: Coach Rich Warner, Roy Peck, Bob Balotteri, Wayne Crane, Wayne Pickering.

It's SPARE TIME

at Westlake Bowl

By JIM GREALISH
Doris Cunningham and Pat Garcia of the A-1 Nursery-Holy Angels Mothers' Guild League have been communicating with Ham, the chimp from outer space. We don't know the result of the conversation, but it must have something to do with the Sunday Satellite Scotch Sweepers, starting Sunday evening, March 5, at 10 p.m.

There was one proud mother at the Bowl last Thursday evening, Doris Moeller of the Colonial Savings team could hardly keep her mind on her own game as son Gary of the Club New Yorker, bowling three lanes away, shot a terrific 257 game on his way to a 649 series.

Good sponsor—good bowler. That's the by-word of the Fishers' Egg Noodles team as sponsor Ray Fisher rattled the pins for a 257 game and 661 series. The February issue of Prep Pin Patter, national publication of the American Junior Bowling Congress, listed two of our more promising juniors, Bob Cowan, for a 617 series, and John Zamrow for his 269 game. Both boys will receive AJBC "Stars of the Lanes" patches.

Women Leaders
Dottie Tener of the O'Brien, Spottorno and Mitchell team continued to uphold the honor of the fairer sex this week with a 223 game and 578 series.

Last night was Pacific Telephone night at the Bowl as 50 men from Telco held their annual bowling buffet. Ed Koepke and Jack Carl report a good time was had by all.

Rick Dreier reports a heavy advance sign-up for his three-day free "Learn to Bowl" program. The course will cover all phases of America's fastest growing sport, concluding with individual instruction. There is no charge and Rick is accepting registrations for the first class on Monday, February 27, at 10 a.m.

As the current Westlake Han-

dicap Doubles enters the final days, Jack McNelly and Boyd Hillyer continue to hold the lead with 1353, while Fred Thompson is first in the singles. Fred Pon moved into second spot in the singles with 493, while Joe Miller and Joan Lantz have taken the lead in the mixed couple special prize section with 1279. There are still openings in the 6:15 squad tonight. The tournament ends Sunday at midnight.

The star of the current Pee Wee League for nine-year-olds is Dave Miller. After only five weeks of instruction in this new league, he carries a 143 average and last week bowled 327 for two games.

A hearty welcome back to Lorraine Fazendini, secretary of the Tea Timers League, who has returned to bowling after having a repair job on a slightly damaged wrist.

The eight teams of the Westlake 775 Scratch League were the first league to register as a group for the BPAA Team Handicap Tournament. President Charlie Bremmer and Secretary Ray Matthews report that all eight teams of the league will skip league competition on March 7 and bowl at the regular league time in this Team Handicap Tournament. Other leagues are expected to follow suit and take advantage of the opportunity to shoot at the tremendous prize list (cost is \$15 per team).

Pat Garcia of A-1 Nursery and Tee Rolling of the Morning Glory League are neck and neck for weekly leader. Pat had 172/488, while Tee had 179/487. Pat recently bowled her first 200 game in league competition.

Primo's Travelers are on tour again. To help send needy boys to camp, he took a group to the Marina Bowl last Saturday afternoon and has another full squad scheduled for Saturday night.

LINCOLN DAY

TRIBUTE AT

LOCAL SCHOOL

At an assembly on February 14 at Abraham Lincoln School, Shay Abbey, president of the Student Council, directed the program honoring all school committee members for the work they are doing for the school. This recognition was appropriately in line with Abraham Lincoln's birthday.

The program consisted of a regular student council meeting under the direction of President Abbey in the presence of all fourth, fifth, and sixth grade classes in the school. A further tribute to Abraham Lincoln was given by Mrs. Nettie Herbert's fifth grade class when the group gave a choral speaking rendition of the famous Gettysburg address.

PAL Warriors Grab Sixth Grade Title By Nipping BYA 5

Mike Miller of the BYA Tigers tallied 18 points, but this wasn't enough as the PAL Warriors nipped the BYA club, 27-25, for the sixth grade league title in Daly City's boys' basketball competition.

The champion Warriors were paced Keith Stoller, Larry Black and Matt DeBernardi.

In other sixth grade encounters, the vastly improved BYA Barons, coached by Larry Storb, won their third straight as they measured the BYA Bears, 35-27, while the Our Lady of Mercy Gaels slipped past the OLM Dons, 12-11.

Seventh grade division leadership is a duel between the PAL Bobcats and the runner-

up BYA Darts. The Darts' latest victim was Ben Franklin, 27-15, while the Bobcats, with Cafferata getting 14, romped over the BYA Pistons, 35-9. OLPB defeated the Daly City Foghorns, 23-17.

Our Lady of Mercy is supreme in the eighth grade division with a 5-0 record. On their heels are Ben Franklin and Flying Goose with 4-1 marks. The Franklin five beat the PAL Celtics, 34-25, and OLPB clobbered the Flying Goose Whites, 47-24, as Barry Morgan hit for 20 points and Nolan for 19 for the victors.

Torre of Our Lady of Mercy also had 19 as his team downed the BYA Patriots, 43-20.

Daly City Midshipman Aboard Maritime Academy's Golden Bear

The T. S. Golden Bear of the California Maritime Academy departed Vallejo last month on its annual training cruise. On board were 18 officers and 213 midshipmen, the entire student body, who are taking part in the sea training phase of the program which prepares them for careers as licensed officers in the United States Merchant Marine. The midshipmen have an opportunity to gain practical experience in all phases of ship operation and to observe the port facilities which they will later use as deck or engineering officers. Captain H. E. Richter, USN (Ret.), is the superintendent of the Academy and Captain C. G. Bowman, USCG (Ret.), is the commanding officer of the training ship.

The California Maritime Academy, in Vallejo, is a permanent shore base where the academic phase of the training is carried out. The course extends over a three-year period, with the school in session for eleven months of each year. Successful completion of the course enables the midshipmen to receive a bachelor of science degree in either nautical science or marine engineering. Graduates also acquire a Coast Guard license as either third mate or third assistant engineer. They may also receive commissions as ensign, USNR, upon application after graduation.

The California Maritime Academy is a part of the state system of higher education

operated by the state of California. It also receives financial support from the federal government.

The Golden Bear will visit Tahiti, Pago Pago, Suva, Hilo, Honolulu, San Diego, Long Beach, and Port Hueneme before returning home.

She will arrive at Vallejo on March 24. Spring leave will be given to all midshipmen until April 2, when the final academic trimester will begin.

Among the residents of Daly City currently attending the Academy and making this cruise is Vinton S. Stratton, son of Dr. and Mrs. Vinton Stratton, 195 South Mayfair avenue, Daly City. Dr. Stratton is assistant superintendent of Jefferson Elementary School District.

Italian-Style Spaghetti Dinner At Holy Angels Aids Youth Welfare Fund

Final preparations have been made for the big family-style Italian spaghetti dinner, scheduled this Sunday, February 26, from 3 to 7 p.m. at Holy Angels Church in Colma.

Ray Donohue, president of the Holy Angels Men's Club, reminds that Gene Moretti and Tony Carilli once again will be the chefs. And they are good as any in the business.

...Fred Adams is in charge of

"the finest crew of waiters available," said Donohue. They will be backed up by Pat Nelli and his beverage department.

Treasurer Les O'Callaghan has set dinner prices at \$1 for adults and 50 cents for children. All friends and relatives of Holy Angels parishioners are invited.

Proceeds, according to publicity chairman Al Palacios, go to the parish's youth welfare fund.
